5.7 The bidders shall carefully examine the specification and all its enclosures and if they have any doubt as to the meaning of any portion of the specification or enclosures thereto, they shall obtain the required clarifications from the officer to whom the bids are to be addressed.

5.8 Clarifications, amplifications, and/or any other correspondence from the bidder subsequent to the opening of bid will not be entertained. The bidders are therefore advised to ensure that their bids are uploaded in complete shape in the first instance itself. Post bid rebates, revisions or deviation in quoted price and/or conditions or any such offers which will give benefit to the bidder over others will not only be rejected straight but the original bid itself will get disqualified on this account and the bidder's bid security amount will be forfeited.

5.9 COMPLETENESS OF BID:
a) The bid shall be quoted for all the works & all the items as per the bid specification.
b) Part bids or incomplete bids will not be accepted and will be rejected.

6. DETAILED SPECIFICATION
The specification provides for **"servicing of isolators, supply of mechanism box and dismantling and erection of new mechanism boxs for the 220KV shivarampally-1&2,Bus coupler and 160MVA PTR 1&3 in 220/132/33KV Gachibowli Substation.".**

6.1 The works involved are **220KV 800Amps Double break isolator servicing, Supply of 1HP motor operated mechanism box,** as directed by the TSTRANSCO Engineer at site.

6.2 RATE: The rates (in Indian Rupees) quoted shall be for finished item of work and firm including all costs of labour and other costs associated with the completion of work.

6.3 Bidders are advised to find out the latest tax structure, applicability and rates before quoting. Further to reduce the billing difficulties, bidders are advised to round-off the basic prices and F & I to the nearest Rupee and taxes and duties to nearest two decimal places by using 'Round' formula in Excel sheets.

6.4 SITE VISIT: The bidders are advised to visit and examine the site of proposed Substations and the route of transmission line and obtain all information that may be necessary for preparing the bid such as access to site, communication, transport, leads / and availability for water, sand, metal etc., right of way, the quantity of various items of work, the availability of local labour, availability and rates of materials, local working conditions, uncertainties of weather and period of crops and working seasons etc. The cost of visiting the site shall be at bidder's own expense. Ignorance of site conditions shall not be accepted by the Purchaser as basis for any claim for compensation at a later date. The submission of a bid by the bidder will be construed as evidence that such an examination was made and later claims/disputes in this regard shall not be entertained.

6.5 It is the responsibility of the bidder to satisfy himself that sufficient quantities of construction materials required for the works shall exist in the borrow areas or quarries sites. The TSTRANSCO does not accept any responsibility either in identifying the quarries or procuring the material or any other facilities in this regard. The bidder will not be entitled for any extra cost /rate or claim for the misjudgment on his part for quantity and quality of materials available in the quarries.

6.6 High Quality shall be maintained while executing the work and the contractor shall provide for any quality checks that may be stipulated by the engineer in charge.

6.7 BID SECURITY:
Bid Security equivalent to 2% of Estimated Contract Value (ECV) by way of Demand Draft drawn in favour of **"Superintending Engineer/OMC/Metro-West/TSTRANSCO/Mint Compound/ Hyd"** payable at Hyderabad scanned copy should be uploaded invariably. Tenders not accompanied by such D.Ds towards Bid Security, are liable to be rejected. The Bid Security will be adjusted towards Performance Security in case of successful tenderer. No interest will be paid on Bid Security.

Bid Security is exempted for tenderers belonging to SC/ST categories. They must enclose Caste Certificate issued by Mandal Revenue Office along with the specification without which the tender will be rejected.

6.8 ADDITIONAL SECURITY:

If the rate quoted by the bidder is less than 10% of the TSTRANSCO's total estimated cost will be considered as abnormally low rate. In the case of abnormally low quoted rates i.e. less than 10%, additional security deposit (ASD) to be paid for the less percentage below 10% i.e. if the bidder quotes 20% below the total estimated cost then he has to pay ASD equivalent to 10% of the total estimated cost. The ASD will be released after completion of work

6.9 PERFORMANCE SECURITY:

The successful bidder shall furnish performance security equal to Five percent (5%) of the Contract Value for the proper fulfillment of contract to cover the 12 months guarantee period, within fifteen days of the award of contract; and if he fails to do so, the Bid Security will be forfeited and the contract awarded will be cancelled without assigning any reasons there for. The bid security paid will be adjusted for part of performance security. The Performance Security will be released after 12 months after satisfactory completion of work entrusted which will not carry any interest. The Performance Security shall be forfeited, if the contractors do not fulfill the terms and conditions of works contract. The Performance Security shall be furnished by way of DD.

6.10 AGREEMENT:

The successful Tenderers should enter into an agreement with TSTRANSCO within 30 days of acceptance of Performance Security on Non-judicial stamped paper for the value specified by the TSTRANSCO. If the contractor does not sign the agreement within 30 days of acceptance, the contract awarded will be cancelled.

6.11. PAYMENT:

a) Payments will be made up to 90% of the bills for the items of works completed during a month. For this purpose the contractor shall submit monthly bills to the Divisional Engineer/ Executive Engineer concerned regularly to ensure payments in time. The contractor shall give full details of items of works done against each location in support of the bill. Bills submitted without supporting details will not be taken into cognizance.

b) Out of balance 10% amount, the first 5% payment will be released after completion of all the works, provided the material account is settled. The final 5% payment will be released after completion of the Guarantee period subject to settlement of material account.

Paying Officer is Superintending Engineer/OMC/Metro-West/Hyd.

c) Rates quoted shall be inclusive of all taxes. All statutory deductions will be deducted at source from the bills submitted for payment as per the relevant acts; Rules and Regulations there under at the rates prevailing at that time.

d) All statutory deductions towards Income Tax, T.S. work contracts Tax, Service tax etc., will be deducted in the bills. The Transmission Corporation of T.S. Ltd., will not however pay any extra charges for any other reasons, in case the tenderer is found later on to have misjudged the work/material to execute the work.

e) Whenever it is found that the Tenderer has received any excess payment by mistake or if any amounts are due to TSTRANSCO due to any reason and when it is not possible to recover such amounts, TRANSMISSION CORPORATION OF TELANGANA LIMITED reserves the right to collect the same from any other amounts and Bank guarantee/Bid Security/ Performance Security given by the tenderer due to or with the TSTRANSCO.

6.12 PENALTY:

The completion period committed shall be deemed to be the essence of the contract. In case of delay in completion of work, whatever be the reasons, the TSTRANSCO may at its option demand and recover from the Tenderer an amount equivalent to 0.5% of the value of the works not completed within the prescribed time limit for every week of delay or part thereof, subject to a maximum of 10% of the total value of the contract. Once the maximum is reached, TSTRANSCO shall consider termination of

the contract. This right of TSTRANSCO shall be without prejudice to the rights under the law, including the right to cancel the contract, forfeit the deposit and recover damages for breach of contract. In the event of termination of contract due to delay attributable to the contractor, TSTRANSCO is entitled to get back equipment / material from the contractor for the payment already made but the material is not put to use and then get the works done by the other agency / agencies for completion of contract by using the said recovered material. The contractor shall have no objection in the regard.

6.13 STATUTORY RULES, ACT & REGULATIONS:

The Tenderer shall indemnify TSTRANSCO Ltd., against all claims which may be made under the Workmen's Compensation Act or any statutory modification thereof or rules there under or otherwise for in respect of any damage or compensation payable in consequence of any accident or injury sustained by any workmen engaged in the performance of the business relating to this work contract. In all cases of personal injury to workmen employed by a Tenderer on the work for which the Tenderer is liable to pay compensation under the 'Workmen's Compensation Act', the Tenderers shall pay the prescribed medical fee to Medical officer for issue of 'c' – 'd' forms as prescribed.

The Tenderer shall indemnify TSTRANSCO against all claims which may be made under Minimum Wages Act and Child Labour Act or any statutory modification thereof on rules there under or otherwise for in respect of any damage or compensation arising in consequence of any dispute under these Acts.

The contractor shall indemnify the TSTRANSCO against all claims which may be made in respect of any person employed by the Tenderer on these works towards insurance charges or claims what so ever.

The form of contract will be lumpsum.

The rates and prices quoted by the Tenderer while submitting the tender shall be firm till the work is completed. The quoted rates shall be binding on the tenderer even for the award of part work.

The Tenderer is responsible for any accidents caused to the personnel/labour and damage to the TSTRANSCO property during the period of contract. The tenderer is responsible for the loss sustained by TSTRANSCO due to damage to the equipment/ structures/towers or personnel or any other agency in TSTRANSCO premises arising out of carelessness/negligence on part of tenderer or his representative.

The Tenderer should follow all Statutory Rules, Acts and Regulations that are relevant and necessary for carrying out the work.

The contract will be liable for termination if the work is not being carried satisfactorily in accordance with the specified work or if the terms and conditions of the agreement are breached.

The Tenderer shall note that in case of carrying out the work in the vicinity of equipments /live parts in service, care must be taken to avoid any accidents. If any work is to be done on any of the live equipment/structure/tower, the Tenderer/his representative shall ensure that such works will be carried out only after obtaining proper line clear.

It may clearly be noted that in no case the TSTRANSCO Ltd., will be responsible for any accidents that may occur and for any compensation to be paid arising out of the accidents.

No child labour should be employed.

The contractor may engage persons, who are skilled and capable as required by him for the said work.

TSTRANSCO has got full powers to decide the tenders and is not bound to accept the lowest tender.

.

TSTRANSCO also reserves the right to cancel or reject all or any Tender (s) without assigning any reason and without being liable to refund the cost of Tender document there upon.
