In continuation to the circular memo, it is noticed that the employees are approaching the medical wing for issue of credit cards for family Members i.e., for Mother / Father or Mother-in-law / father-in-law duly declaring that they are solely dependent on them and are having no source of income such as pension or from landed property or by any other means and the said declaration is countersigned by the concerned Head of Department.

2. But in most cases, contrary to the declaration submitted by the individuals, when they are enquired and are cross checked on declaration with them, many a times, it is found that they are either employees and drawing certain amount of pension and in some cases they are businessmen having good source of income or landlords.

3. In view of the above and as per Medical Rules in vogue vide T.O.O.Ms.No. 301 dt.31.3.2009 vide item xi, it is clearly stipulated therein that the dependency declaration be submitted by employees to their Head of the Departments every year in the first week of January only and Head of the Departments are instructed to sign the dependency declaration with full confirmation and to the satisfaction of details of declaration only, since the responsibility lies with signature authority only.
