TRANSMISSION CORPORATION OF ANDHRA PRADESH LIMITED

Sub: Revised administrative approval for erection of 132/33 kV Substation at N.V.Puram in Khammam district along with connected 132 kV & 33 kV lines – Accorded.

APNPDCL have proposed for erection of 132/33 kV substation at N.V.Puram in Khammam district to meet increased load on 33/11 kV substations and also to reduce 33 kV line losses. Load flow studies were conducted by the Chief Engineer (Power Systems) for erection of above 132/33 kV substation and it is observed that the 132/33 kV substation at N.V.Puram in Khammam district is essential to reduce the overloaded 33 kV feeders and 33 kV substations and to improve voltage conditions and quality & reliability of power supply in the area.

Subsequently administrative approval issued vide T.O.O. (CE-Construction) Ms. No. 269 dated 06.10.2010 for construction of 132/33 kV Substation at N.V.Puram in Khammam district along with 12 KM of 132kV DC/SC line from Kamalapuram 132/33 kV SS in Warangal district to the proposed 132/33 kV N.V.Puram Substation at an amount of Rs. 1243.00 Lakhs.

Chief Engineer / Warangal Zone / Warangal submitted that the line is crossing the river godavari and shall be erected with special type towers. The Superintending Engineer/TLC/Warangal submitted for 6 Nos. Pile foundations portion as the proposed line crossing the Godavari river for a length of 4.5 KM. The proposed line consist of 5.5 KM 132 kV DC/SC line with ACSR Panther conductor and 4.5 KM river crossing is proposed with 220 kV JC Towers with ACSR Moose conductor.

After careful consideration, APTRANSCO accords revised administrative approval for erection of 132/33 kV Substation at N.V.Puram in Khammam district at an amount of Rs. 1801.00 Lakhs as per the break up indicated below: The earlier T.O.O. (CE-Construction) Ms. No. 269 dated 06.10. Rs. 1243 .00 Lakhs. issued for the above works is herewith cancelled.

(*) Estimate with 2 x16 MVA released Power Transformer or Say 1801.00 Lakhs

The scheme will be executed with financial assistance from M/s Rural Electrification Corporation Limited, New Delhi and with APTRANSCO funding in case full loan is not sanctioned by M/s Rural Electrification Corporation Limited. The cost of the 33 kV lines at Item No.5 of the above Abstract of Estimate will be borne by APNPDCL.

The Chief Engineer / Construction-I is hereby authorized to take up the above works. This authorization is issued with the concurrence of Director (Finance & Revenue) vide U.O. No. 4797 Dated 16.12.2011.

“In exercise of the powers conferred by G.O. Ms. No. 115 dated 07.10.2003 of Government of Andhra Pradesh, APTRANSCO or their authorized representatives shall have the powers that the Telegraphic Authority possesses under the provision of the Indian Telegraph Act 1885 (13 of 1885) for placing of any wires, poles, towers etc., for Transmission of electricity or for the purpose of telephonic or telegraphic communication facility necessary for the proper coordination of the works of the APTRANSCO.
